## **NOTES:**

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE GENERAL MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF, AND THAT SUCH A PROXY NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding 50 and holding in the aggregate not more than 10% of the total share capital of the Company carrying voting rights. A member holding more than 10% of the total share capital of the Company carrying voting rights may appoint a single person as a proxy and such person shall not act as proxy for any other person or shareholder.
2. The Proxy form duly filled in should be deposited at the Registered Office of the Company not less than 48 hours before the commencement of the Meeting. All alterations/corrections made in the form of Proxy should be initialed by the Member.
3. As per Section 113 of the Companies Act, 2013, Corporate Members intending to send their representatives to attend the meeting are requested to send the Company a certified copy of the board resolution authorizing their representative to attend and vote on their behalf at the Meeting.
4. As per Secretarial Standards-2 (SS-2), Attendance Slip and a Proxy Form are attached with the Notice hereunder as an **Annexure-1 & 2** respectively.
5. As per Secretarial Standards-2 (SS-2), Route Map for easy access to location of the venue of the Meeting is attached herein as an **Annexure-3**.
6. Pursuant to Sections 101(1) and 136 of the Companies Act, 2013 of the Companies Act, 2013 read with Rule 18 of Companies (Management & Administration) Rules, 2014, as amended from time to time, companies can now send notice of the ensuing Annual General Meeting to their Members, Auditors and Directors / documents including the Annual Report to their Members through electronic mode, to their e-mail addresses registered with the Company. Members who would like to receive such notices / documents including the Annual Report in electronic mode in lieu of physical copy and who have not registered their e-mail addresses so far or who would like to update their e-mail addresses already registered with the Company, are requested to register/update their e-mail addresses by sending a request at [investor@tulsyannecc.in](mailto:investor@tulsyannecc.in), mentioning therein their folio number and e-mail address so as to enable the Company to send the Notice of the General Meeting and Annual Report through Electronic Mode to their registered e-mail addresses.
7. Explanatory Statement as required under section 102 of the Companies Act, 2013, in respect of items of special business to be transacted at this AGM is annexed hereto.

### **Explanatory Statement in respect of the Items of the Special Business** (Pursuant to Section 102 of the Companies Act, 2013)

The following statement sets out all material facts relating to the Items of the Special Business mentioned in the accompanying Notice.

#### **Item No. 2: To approve the Related Party Transactions with Tulsyan NEC Limited:**

Chitrakoot Steel and Power Private Limited ("the Company") is a Wholly Owned Subsidiary of Tulsyan NEC Limited whose primary business is manufacturing of Sponge Iron.

Tulsyan NEC Limited is a Holding Company of the Company whose primary business is manufacturing iron and steel, Poly woven fabric and sacks and Generation of power in thermal based. During the course of rendering such businesses, Tulsyan NEC Limited Integrated also leverages niche skills, capabilities and resources of entities within the "Tulsyan Group".

Works : Survey No.77, Thandalacherry Road, Next to TCP Ltd, New Gummidpoondi - 601 201.

Tel. : 27921541 / 42 Fax : 27921543 CIN U28999TN2003 PTC 051803

# CHITRAKOOT STEEL AND POWER PVT.LTD.

Registered Office : Apex Plaza, 1st Floor, # 3, Nungambakkam High Road, Chennai - 600 034.

Phone : 61991060 Fax : 61991066 e-mail : tulsyannecltd@vsnl.net. tulsyanec@gmail.com

Accordingly, transaction(s) entered / to be entered into with Tulsyan NEC Limited comes within the meaning of Related Party transaction(s) in terms of provisions of the Act and applicable Rules framed thereunder.

The Company had taken prior approval of the members in its 20<sup>th</sup> AGM held on September 15, 2023, pertaining to the contract(s)/arrangement(s)/transaction(s) with Tulsyan NEC Limited, a related party within the meaning of Section 2(76) of the Act up to a maximum aggregate value of Rs. 300 Crores for a period of 2 years starting from the conclusion of the 76<sup>th</sup> AGM of Tulsyan NEC Limited till the conclusion of the 78<sup>th</sup> AGM of Tulsyan NEC Limited.

Though the related party transactions made or to be made by the Company is covering under Section 188 of the Companies Act, 2013 are in the ordinary course of business and are at arms' length basis, but, the tenure of the said contract(s)/arrangement(s)/transaction(s) are going to be expired on the date of the 78<sup>th</sup> AGM of Tulsyan NEC Limited i.e. September 17, 2025. Therefore, the Board recommended for Members' approval by passing an Ordinary Resolution for smooth continuation of the contract(s)/arrangement(s)/transaction(s) with Tulsyan NEC Limited.

Accordingly, the Board recommends the Ordinary Resolution as set out at Item No. 2 of the accompanying Notice for approval by the Members.

Relevant documents are available for inspection during business hours till the date of the Annual General Meeting.

Pursuant to Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, as amended till date, particulars of the transactions with Tulsyan NEC Limited are as follows:

1. Name of the Related Party: Tulsyan NEC Limited
2. Name of the Director or KMP who is related: Mr. Sanjay Tulsyan (Director); Mr. Lalit Kumar Tulsyan (Director); and Mr. Sanjay Agarwalla (Director)
3. Nature of Relationship: Holding Company
4. Nature, material terms, monetary value and particulars of the contract or arrangement: Transactions for purchase/sale of goods or materials and availing/rendering of services, any income or expenses, applicable taxes, if any, incurred in these connections and on such terms and conditions as the Board of Directors of the Company may deem fit and as detailed in the Explanatory Statement annexed to the Notice convening this Meeting, up to a maximum aggregate value of Rs. 235 crores for a period of 3 (Three) years commencing from the conclusion of the 78<sup>th</sup> AGM of Tulsyan NEC Limited till the conclusion of the 81<sup>st</sup> AGM of Tulsyan NEC Limited.
5. Any other information relevant or important for the members to take a decision on the proposed resolution: Nil.

4	18-12-2024	4	4
5	27-01-2025	4	4
6	14-02-2025	4	4

## **DIRECTORS' RESPONSIBILITY STATEMENT**

Pursuant to the provisions of section 134(3)(c) read with Section 134(5) of the Companies Act, 2013, the Board of Directors, to the best of their knowledge and ability, confirm that:

- a) in the preparation of the annual accounts, the applicable Accounting Standards have been followed along with proper explanation relating to material departures;
- b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view

of the state of affairs of the company at the end of the financial year and of the profit and loss of the Company for that period;

- c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) they have prepared the annual accounts on a going concern basis;
- e) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

#### **INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY**

The Company has an adequate internal control system commensurate with the size of the Company and nature of its business with regard to the purchase of inventories, fixed assets and sale of goods and services.

#### **STATUTORY AUDITORS AND THEIR REPORT**

The Auditors, M/s. CA Patel & Patel, Chartered Accountants (Firm Registration No.: 005026S), Chennai, were reappointed for a period of five consecutive years commencing from the conclusion of the 21st Annual General Meeting till the conclusion of the 26th Annual General Meeting of the Company to be held in the financial year 2029-2030.

The Auditors' Report on the financial statements of the Company for the financial year ended March 31, 2025 does not contain any qualification, reservation or adverse remark or disclaimer.

#### **Reporting of Fraud by Auditors**

During the year, the statutory auditors have not reported any material fraud on the Company by its officers or employees under Section 143(12) of the Companies Act, 2013, the details of which need to be provided in this report.

#### **LOANS, GUARANTEES AND INVESTMENTS**

Details of Loans, Guarantees and Investments pursuant to the provisions of Section 186 of the Companies Act, 2013, for the FY 24-25, are disclosed under the notes to the Financial Statements forming part of this Annual Report.

#### **PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES**

There were no significant related party transactions entered into between the Company, Directors, Management and their relatives, except for those disclosed in the financial statements. All the contracts/arrangements/transactions entered by the Company with the related parties during FY 2024-25 were in the ordinary course of business and on an arm's length basis, and whenever required the Company has obtained necessary approval for the said transactions.

Accordingly, particulars of contracts or arrangements with related parties referred to in Section 188(1) along with the justification for entering into such a contract or arrangement in Form AOC-2 does not form a part of this Report.

#### **PARTICULARS OF DIRECTORS AND EMPLOYEES**

A statement containing particulars in terms of Section 197(12) of the Companies Act, 2013 read with rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is not applicable to the Company.

## **CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS & OUTGO**

Particulars as per the provisions of section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014 and forming part of the Directors' Report for the year ended on March 31, 2025.

### **A. Conservation of Energy & Technology Absorption**

The particulars as required under the provisions of Section 134(3) (m) of the Companies Act, 2013 in respect of conservation of energy and technology absorption have not been furnished considering the nature of activities undertaken by the company during the year under review.

### **B. Foreign Exchange Earnings and Outgo**

## INDEPENDENT AUDITOR'S REPORT

To  
The Members  
Chitrakoot Steel and Power Private Limited.

### Report on the Audit of the Standalone Ind AS Financial Statements

#### Opinion

1. We have audited the accompanying standalone Ind AS financial statements of Chitrakoot Steel and Power Private Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2025, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in

accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters.**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. Reporting of key audit matters as per SA 701, key audit matters are not applicable to the company as it is an unlisted company.

**Information other than the financial statements and Auditor's Report thereon**

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the standalone financial statements**

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the financial statements**

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the ss of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other Legal and Regulatory Requirements**

16. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
  - d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;

e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act;

f) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion;

g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements;

ii. The Company has made provision, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025

### **Annexure A to the Independent Auditor's Report**

Referred to in paragraph 2 under 'Report On Other Legal and Regulatory Requirements' section of our report to the members of Chitrakoot Steel and Power Private Limited of even date:

- i) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

The Company has a regular programme of physical verification of its fixed assets, by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets were physically verified during the year and no material discrepancies were noticed on such verification.

The title deeds of immovable properties included in fixed assets are held in the name of the Company. In respect of immovable properties been taken on lease and disclosed as property, plant and equipment in the standalone Ind AS financial statements, the lease agreements are in the name of the Company.

- ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory. The discrepancies noticed on verification between the physical stock and the book records were not material.
- iii) The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act, 2013. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.

- v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi) In our opinion and according to the information and explanations given to us, the requirement for maintenance of cost records pursuant to the companies (Cost Records and Audit ) Rules ,2014 specified by the Central Government of India under Section 148 of the Companies Act,2013 are not applicable to the company for the year under audit.
- vii) a) The Company is regular in depositing undisputed statutory dues with appropriate authorities like Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Goods and Services tax, duty of Customs, duty of Excise, Value added tax, Cess and other material statutory dues, as applicable , with the appropriate authorities. Further no undisputed amounts payable in respect thereof were outstanding at the year end for a period of more than six months from the date they became payable.
- b) There are no dues of Income-tax or Sales tax or Service tax or Goods and Services tax or duty of Customs or duty of Excise or Value added tax which have not been deposited by the Company on account of disputes.
- viii) In our opinion and according to the information and explanation given to us, the company has not defaulted in the repayment of loans and borrowings to financial institutions, banks and government and dues to debenture holders.
- ix) Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions of Clause 3(ix) of the Order is not applicable to the Company
- x) In our opinion and according to the information and explanation given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi) The Company is a private limited company and hence provisions of Section 197 read with Schedule V to the Act are not applicable.
- xii) The Company is not a Nidhi Company and hence, reporting under clause 3(xii) is not applicable.

xiii) All the transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.

xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.

xv) The Company has not entered into non-cash transactions with its directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.

xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.

**Annexure B To The Independent Auditor's Report of even date To The Members of Chitrakoot Steel and Power Private Limited, on The standalone financial statements for The year ended 31 March 2025**

**Annexure B**

Independent Auditor's report on the Internal financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the "Act")

1. In conjunction with our audit of the standalone financial statements of Chitrakoot Steel and Power Private Limited (the "Company") as at and for the year ended 31 March 2025, we have audited the internal financial controls over financial reporting (IFCoFR) of the Company as of that date.

**Management's Responsibility for Internal financial Controls**

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

#### **Meaning of Internal financial Controls over financial Reporting**

6. A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal financial Controls over financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

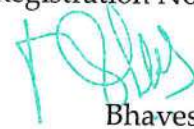

### **Opinion**

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**(CHITRAKOOT STEEL AND POWER PVT LTD)**

**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDING 31.03.2025**

**Note - 1: CORPORATE INFORMATION:**

The Company was incorporated on October 21, 2003, and is in the business of Manufacturing of Sponge Iron.

**Note - 2: SIGNIFICANT ACCOUNTING POLICIES:**

**a. Statement of compliance:**

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Up to the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of Generally Accepted Accounting Principles in India (previous GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

**b. Basis of Preparation:-**

The financial statements of the Company have been prepared on the historical cost basis at the end of each reporting period.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Upto the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirement of Indian General Accepted Accounting Policies, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

These financial statements are the Company's first Ind AS standalone financial statements.

Company's financial statements are presented in Indian Rupees ('₹'), which is also its functional currency.

**c. Revenue Recognition**

**Sale of Goods**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sales are accounted net of trade discount and include Sales Tax Excise Duties and Goods and Service Tax. Revenue from Direct sales is accounted for on the basis of dispatches. In respect of Consignment sales, revenue is recognized after the confirmation of sale from the Consignment Agent.

**Interest**

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

**d. Foreign Currency Transactions**

The financial statements of the Company are presented in Indian Rupees (INR), which is the Company's functional currency. In preparing the financial statements of the Company, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

**e. Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

**f. Employee Benefits**

**Provident Fund:**

The Company contributes to the Statutory Provident fund in accordance with the Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The plan is a defined contributions plan and the contribution paid or payable is recognized as an expense in the period in which the employee renders service.

**Gratuity:**

In respect of Gratuity, no provision has been made in the accounts for the actuarial liability for future payment of Gratuity. Gratuity payments are charged to Profit and Loss account in the year in which payments are made.

**g. Taxes on Income**

Income tax expense represents the sum of the tax currently payable and deferred tax.

**Current tax:**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The company's Provision for current tax is made based on the liability computed in accordance with the relevant tax rates and tax laws. current tax is calculated using tax rates that have been enacted by the end of the reporting period.

**Deferred tax:**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred taxes are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on the tax rates and the tax laws enacted or substantively enacted as at the reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

**h. Property, plant and equipment:**

Land and buildings held for use in the supply or production of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

PPE in the course of construction for supply, production or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

<u>Category of Asset</u>	<u>Estimated useful lives</u>
Factory Buildings	30 Years
Bore well & Road	10 Years
Plant & equipment	8 Years
Electrical & Work Equipments	10 Years
Weigh Bridge	15 Years
Furniture and Fixtures	10 Years
Mopeds	8 Years
Motor vehicles/other assets	10 Years
Office equipment	5 Years
Lab Equipments	10 Years

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

**i. Intangible assets:**

Intangible assets with finite useful lives are carried at cost less accumulated amortisation and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives are carried at cost less accumulated impairment losses.

<u>Category of Asset</u>	<u>Estimated useful lives</u>
Software and website development costs	5 Years

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in profit or loss when the asset is derecognized.

**j. Impairment of tangible and intangible assets:**

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent

of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

**k. Inventories:**

Inventories are carried at the lower of cost and net realizable value. Costs of inventories are determined on a first-in-first-out basis. Cost includes the purchase price, non-refundable taxes and delivery handling cost. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

**l. Provisions:**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

**m. Financial instruments:**

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

**Effective interest method:**

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts/payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

**n. Financial assets:**

A financial asset is any asset that is:

- (a) cash;
- (b) an equity instrument of another entity;
- (c) a contractual right:
  - (i) to receive cash or another financial asset from another entity; or
  - (ii) to exchange financial assets or financial liabilities with another entity under conditions that are potentially favorable to the Company; or
- (d) a contract that will or may be settled in the Company's own equity instruments and is:
  - (i) a non-derivative for which the Company is or may be obliged to receive a variable number of the entity's own equity instruments; or
  - (ii) a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments.

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

**Classification of financial assets**

**Debt**

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at "fair value through profit or loss (FVTPL)" on initial recognition):

the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments (except for debt instruments that are designated as at FVTPL on initial recognition) that meet the following conditions are subsequently measured at "fair value through other comprehensive income (FVTOCI)":

the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL.

Interest income is recognized in profit or loss for FVTOCI debt instruments. For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to profit or loss.

A debt instrument that meets the amortised cost criteria or the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

Debt instruments classified as FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss. The Company has not designated any debt instrument as at FVTPL.

#### **Equity**

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Equity instruments at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any dividend earned on the financial asset and is included under 'Other income'. Dividend on financial assets at FVTPL is recognized when the Company's right to receive the dividends is established and the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

#### **Impairment of financial assets**

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, and other contractual rights to receive cash or other financial asset not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls). The Company estimates cash flows by considering all contractual terms of the financial

instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses considering the nature of industry and the deferred payment schemes operated.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognized in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

#### **Derecognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

### **Foreign exchange gains and losses on financial assets**

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognized in profit or loss.

Changes in the carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognized in other comprehensive income.

For the purposes of recognising foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income.

### **o. Financial liabilities and equity instruments:**

#### **Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

#### **Financial liabilities**

A financial liability is any liability that is:

(a) a contractual obligation :

- (i) to deliver cash or another financial asset to another entity; or
- (ii) to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company; or

(b) a contract that will or may be settled in the Company's own equity instruments and is:

(i) a non-derivative for which the Company is or may be obliged to deliver a variable number of the Company's own equity instruments; or

(ii) a derivative that will or may be settled other than by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments. For this purpose, rights, options or warrants to acquire a fixed number of the entity's own equity instruments for a fixed amount of any currency are equity instruments if the Company offers the rights, options or warrants pro rata to all of its existing owners of the same class of its own non-derivative equity instruments. Apart from the aforesaid, the equity conversion option embedded in a convertible bond

denominated in foreign currency to acquire a fixed number of the Company's own equity instruments is an equity instrument if the exercise price is fixed in any currency.

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

#### **Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- a) it has been incurred principally for the purpose of repurchasing it in the near term; or
- b) on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- c) it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- a) such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- b) the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Company is provided internally on that basis; or
- c) it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognized in profit or loss. The net gain or loss recognized in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' / 'Other expenses' line item as appropriate.

However, for financial liabilities not held-for-trading that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognized in profit or loss. The remaining amount of change in the fair value of liability is always recognized in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognized in profit or loss.

#### **Financial liabilities subsequently measured at amortised cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included under 'Finance costs'.

#### **Financial guarantee contracts**

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 18.

#### **Foreign exchange gains and losses on financial liabilities**

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognized in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognized in profit or loss.

#### **Derecognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

#### **p. Cash flow statements:**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows from operating activities are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated based on the available information.

**q. Earnings per share:**

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

**r. Insurance Claims:**

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

**s. Goods and Service Tax input credit:**

Goods and Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

**t. Operating cycle:**

Based on the nature of services / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**u. First-time adoption – mandatory exceptions and optional exemptions:**

**Overall principle**

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2016 (the transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognized assets and liabilities. However, this principle is subject to the certain mandatory exception and certain optional exemptions availed by the Company as detailed below.

**Deemed cost for property, plant and equipment and intangible assets**

The Company has elected the exemption of previous GAAP carrying value for its Property, Plant and Equipment and Intangible Assets recognized as of April 1, 2016 (transition date) as deemed cost.
